**LJHS Academic Team Wins SRC**  
**Tournament**

On Thursday, March 25th, the LJHS Academic Team won the Starved Rock Conference Championship winning 5 of 6 matches. After sweeping the field of competition during the Tuesday portion of the tournament, the Lions did drop one of their final three matches on Thursday, but it proved to be irrelevant as the Lions had already beaten the other one loss team (Streator Northlawn) in head-to-head competition during Tuesday's competition. This marks a "back-to-back" SRC Championship for the Academic Team, who also won the championship in exciting fashion last year. Team members for the tournament included...Coaches Peg Jaskowiak and Betty Baznik, students Kortney Wager, Ryan Jensen, Kerry Ryan, Hunter Rodda, Logan Wilde, Dani Berkler, Kelly Schmidt, Jessica Birkey, Ryan Owens, and Jordan Sissel. Ryan Jensen was high scorer for the tournament. A big congratulations goes out to the Academic Team for a terrific season!!!
