...Additionally, it should be noted that I will be emailing a "summer newsletter" shortly after the end of the school year. That mailing gives me an opportunity to "tie up some loose ends" on a few things pertaining to the previous year...

Graduation Gowns

Graduation gowns were given out to 8th graders on Wednesday, April 28th. All students were advised to take their gowns home and check the size and condition of their gowns. If you notice any problems at home, have your child see me immediately. Please remember that the graduation gown is required in order for a student to take part in the graduation ceremony.

Cheerleading Announcement...

Please make a note of the cheerleading dates mentioned in the first article of this newsletter...**Remember that, in order to participate in both the workshops and the tryouts, the girls need to have a physical on file that is current in the office...**
