

Logan Helpful Information

Logan West Office: 5th & 6th Grade 815-875-4043

Logan East Office: 7th & 8th Grade 815-875-6415

Transportation/Bus Office: 815-875-6417

Cafeteria: (account balances/questions) 815-872-1182

Breakfast and Lunch reminder

Remember to check your child's lunch account often on teacherEase to make sure he/she has money available for meals. **We often have accounts past due!**

Student Phone

If you receive a call from 815-875-4647 (the student Line), please do not return the call to this number. Call the appropriate office number.

Bus Notes

A note is required from both parents if your child is riding the bus home with another student. The notes must be signed by the office. **No calls will be accepted.**

After School

The office **does not need** to be informed if your child is going home with another student after school, unless they are riding a bus. **When school dismisses, all students need to be picked up promptly... we do NOT offer after school supervision.** (unless staying for a school club or activity)

Appointments During The School Day

Send a note with your child to the office before school and they will be given a pass to be dismissed. **Please, no phone calls unless it is a last minute appointment.**

Planned absence during the school year

Notes should be given to the office, not the teacher. The office will notify the teacher.

Yearbook Orders

Watch for the yearbook order forms to be sent home.
